WALK-N-ROLL FAQ

What is Walk-N-Roll for Spina Bifida?

Grounded in a decade of family-friendly events across the country, Walk-N-Roll is SBA's largest annual fundraising event. A fundraiser and a "friendraiser," the event connects new friends and old and delivers important information through our on-site resource fair by working through our network of Chapters across the country.

How does this event work?

Participants register and fundraise any dollar amount in support of their local Chapter and SBA's broader mission of building a better and brighter future for all those impacted by Spina Bifida. On event day, participants join in a family-friendly, noncompetitive, one-mile walk/roll and participate in our fun-filled atmosphere and resource fair.

Who does my message reach?

Sponsor benefits target the service area of the event location you select. Interested in multiple locations? We are happy to customize a package to meet your goals.

What does this event support?

Funds support local Chapters' mission-focused programs and services in our focus areas of education, advocacy, clinical care, research, and support.
